Brad Stevens called the meeting to order at 9:05a.m.

MINUTES

The February 2007 board meeting minutes were presented for approval. Harold Weight made a motion to accept the minutes as written. David Kingery seconded the motion and all members voted in favor.

IDAHO MASTER LICENSE RECIPROCAL AGREEMENT

In the current reciprocal agreement between Utah and Idaho the license for both journeyman and master electricians has to be held in the home state for one year. This new agreement from Idaho would eliminate the one year waiting period for master electricians. The agreement arrived by mail that morning and had not been reviewed. Frank Rydalch made a motion, pending a review of the agreement, that the reciprocal agreement allowing the elimination of the one year waiting period for master electrician be approved. The motion was seconded by Kingery and all members voted in favor of the motion. The agreement after being reviewed would be forwarded on to the Construction Services Commission.

ADMINISTRATIVE RULES

Dennis Meservy mentioned the administrative rules for electricians needed to be clarified and updated. When it came to verbiage pertaining to a residential electrician and residential project consistency was needed between the electrical rules, construction trades licensing rules and the construction trades licensing act. The board discussed potential changes in the electrical rules that pertained to the large wire pull, test failures and schooling requirements. Meservy would review the discussed items with Lenore Epstein of the attorney generals office.

APPROVAL OF CEU PROVIDER

Craig Hartman with the Energy Management Corporation met with the board for approval as a continuing education provider for a single eight hour seminar. Hartman indicated he was approved as continuing education provider in Idaho and provided the board with an outline of the seminar. David Kingery made a motion to accept Energy Management Corporation as a continuing educator for this seminar. The motion was seconded by Frank Rydalch and all members voted in favor of the motion.

REVIEW TEST SCORES: The board reviewed the test scores from Thomson Prometric.

APPLICATION REVIEW: Board reviewed out of state applications.

All business concluded, meeting adjourned.

Note: This report is not intended to be a verbatim transcript, but is intended to record the significant features of what was discussed in the meeting. Discussed items are not necessarily arranged in chronological order.
